**Compliance Statement for
RoHS and RoHS-2,
on the restriction of the use of certain hazardous substances in electrical
and electronic equipment, for Crest Metal Engineering LLP products**

Reference:

1. Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast)
2. Directive 2002/95/EC of the European Parliament and of the Council of January 27 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

In reference to the directives described above, Crest Metal Engineering LLP certifies that its product labeled as RoHS and RoHS-2 are compliant to both Directives with exemption 6c, (copper alloy containing up to 4 % lead by weight) only applied. Product previously issued with a certification and labeled as RoHS 2002/95/EC compliant is also compliant to RoHS-2 2011/65/EU, or RoHS-Recast it may be known. No warranty or liability of indemnification is expressed or implied with this information.

Sincerely,

Name :
Director of Quality Assurance
Crest Metal Engineering LLP
